PROJECTS

RESERVDNG - <https://reservdng.com/>

- Nigeria's premier online reservation platform built to give you guaranteed access to premium bookings.
- Designed with Blade, Laravel, AlpineJS, TailwindCSS and MySQL.

RUC TRAINING UNIT - <https://ructrainingunit.com.ng/>

- A website designed to automate the process of student registration and attendance tracking.
- Designed with ReactJS, PHP and MySQL.

RUNFENGHQ - <https://runfenghq.netlify.app/>

- An eLibrary website where students can search, preview, download, share, donate, or request past questions from the Redeemer's University Faculty of Engineering.
- Designed with ReactJS, NodeJS, MySQL and MEGA Storage.

You can see more projects either by visiting My Portfolio (<https://taiwojoshua.netlify.app/>) or My GitHub Repository (<https://github.com/TaiwoJoshua/>)
